

The APWA-NC Technology Board

Presents

2021 Drone Workshop

The event will feature a variety of speakers sharing their insight into leveraging drone technology for public works projects and beyond. We will also discuss the FAA's new drone rules that went into effect earlier this year.

Morning presentations will be followed by a catered lunch. The afternoon will feature live demonstrations in the Dix Park flying field.

AM Speakers

- Seth Swaim — WithersRavenel
- Thomas Zajkowski — Nextgen Air Transportation Program
- Wayne Bailey — Blue Ridge Mountain Drones
- Ravi Soneja — Ayres Associates
