

Emergency Vehicle Technician (EVT) Training September 26 to 30, 2022 Public Services, Kernersville, NC

APWA-NC is pleased to offer EVT (Emergency Vehicle Technician) training in North Carolina. If your fleet service includes Fire Trucks, Police Cars or Ambulances, you know how important EVT certification is for your shop, but also how costly it is to send technicians out of state for training. For this reason, APWA-NC is bringing this training to Kernersville, NC. This specialty training is open to all communities.

At this training session, the classes for modules F-2 and F-6 will be offered at a cost of \$250 per technician per class, and lunch is on your own. Each class is 2 days long (4 days total). The classes are limited to the first **20 registrants**.
