

APWA Enhanced Membership Benefits

APWA's enhanced membership benefits provide all APWA members with a significant increase in the value of APWA membership. All current APWA members are able to:

- Participate in **live Click, Listen & Learn presentations*** without a registration fee.
- Access **previously recorded Click, Listen & Learn presentations*** at no extra charge.
- Access content from **past conference sessions** at no extra charge.
- Read downloadable versions of **select books** from the APWA Store at no extra charge.
- View **select podcasts** (mini-webinars) at no extra charge.
- **Track CEU credits** without an administrative recording fee.

These enhanced benefits are a key that unlocks training and information with an estimated value of more than \$15,000 USD – including new live programs each year and more than 100 on-demand programs – for every member on a 24/7 basis. Using the resources in our online library, APWA members will be able to download or stream programs and set their own schedules for individual or group training sessions. When taking advantage of live online programs, members will no longer have the hassle of getting approvals, writing purchase orders, or cutting checks to APWA – the programs will be a part of each member's benefit package. And as an additional benefit, **we are eliminating the fees for processing and tracking CEU credits for members who want or need them.**
