After a great 2017 conference, we are headed back to the Outer Banks! Our board has once again identified key speakers for critical topics that cover the entire spectrum of facilities and grounds maintenance. CEU credits will be available for attendees.

Following tradition, we will kick our conference off with a golf tournament on Wednesday afternoon at Kilmarlic Golf Club which is being sponsored again this year by Dude Solutions. We would like to thank all of our conference partners since, without them, our Board would be unable to host such an event. During lunch on Thursday, we will hear from Daniel McMains from J&D Tree Pros. He will present on chainsaw and worksite safety. He is an engaging speaker that you won't want to miss. Dinner Thursday night will be in the hotel's incredible Pier House Ballroom over the waters of the Atlantic Ocean.

If you are in a facilities or grounds position within your organization, I would encourage you to consider participating in this year's conference. I'm confident that if you attend, you will leave more informed and refreshed than you were upon arrival. As an added bonus for those who wish to extend their stay for an extra night or two, the hotel has graciously agreed to honor the conference hotel rates through the weekend. So, take advantage of this opportunity, and we hope to see you in Kitty Hawk!
