Subject: Herman Drake Award (Solid Waste Employee of the Year)

The Herman Drake Award is given each year by the Solid Waste Division of the North Carolina Chapter of APWA to recognize an employee in Solid Waste services in a non-supervisory role. This is your opportunity to nominate an outstanding person from your organization to compete for this prestigious award.

The Award is named after Herman Drake, who was associated with the City of Rocky Mount and was very active in the practice of Solid Waste Management in North Carolina for over 50 years. As an ongoing tribute to his contributions, we select one individual from the nominations received that best exemplifies the character and contributions of Mr. Drake.

Positions of Crew Leaders/Chiefs are considered non-supervisory. Enclosed is an application for your candidate. This winner will be presented with a monetary gift and a plaque at the Annual Conference at Atlantic Beach, NC on August 10, 2017 at 1:00pm. Please take the time to respond and recognize your employee. We all have special individuals within our Solid Waste organizations that make us look good every day. Now is the chance, as Managers, to give them the recognition they deserve. **NOMINATION DEADLINE IS JUNE 2, 2017.**

If you have any questions, please call me at (919) 469-4388. I look forward to seeing you at the upcoming APWA Solid Waste Division Conference at Atlantic Beach. ***Details of the Conference will be coming soon.***

Sincerely,

Bob Holden
