

Hello APWA Family!

We find ourselves in uncharted territory now. The threat and concern of COVID-19 virus seems to be impacting us in multiple ways. It is with an abundance of caution and guidance that we have decided to cancel the 2020 State Conference. Due to scheduling conflicts with other Divisions the APWA NC State Chapter Conference scheduled for April 22-24 in Durham will not be held in 2020. We already have dates locked in for 2021 and hope to shift many of the speakers scheduled for this year. As soon as travel bans and restrictions are relaxed, we can resume planning and preparing for additional growth within this organization.

For the meanwhile, we want to encourage each person to take care of yourself and family. Your workplace and this organization needs you in order to serve those that rely on you daily. Please keep each other in your prayers and I'm sure we will grow stronger from this.

Also, the Equipment Roadeo scheduled for April 15, 2020 has been postponed. We will share additional information as it is received.

If you have any questions or concerns, please feel free to contact me at robby.stone@highpointnc.gov or call 336-883-3217.

Thank you for your patience and understanding.

Sincerely,

Robby Stone
2020 APWA NC Chapter President
