

The Equipment Services & Streets Boards have been closely monitoring the COVID-19 pandemic along with the concerns of our members and attendees. We regret to announce the decision to cancel the 2020 Equipment Services & Streets Division Conference, which was due to take place October 13th- 16th, 2020 in Asheville, NC for the health and well-being of all our members and vendors. We have worked with the Crowne Plaza and Helms Briscoe over the last few days and have secured dates to return to Asheville in October of 2022.

Our focus going forward will be planning for the 2021 Backhoe Rodeo scheduled for April 14th, 2021 at the NC State Fairgrounds Horse Complex and the 2021 Equipment Services and Streets Division Conference scheduled for October 12th - 15th, 2021 at the Hickory Convention Center. Please mark your calendars for those dates.

If you have any questions or concerns, please contact us and we will be happy to discuss anything with you.

Sincerely,

Earl Manning
NCAPWA Equipment Services Division President

Forrest Jones
NCAPWA Streets Division President
